

Construction Services

The Construction Services Group (CS) offers a complete line of Construction Specifications Institute (CSI) Division 6, 8, 10, and 11 products under a single contract for commercial new construction and major existing facility projects. Installation of these products can also be provided under an installation services contract.

The CS Group operates on a national basis and has completed projects in: Arizona, Florida, Georgia, Illinois, Iowa, Kansas, Missouri, Pennsylvania, South Carolina, Tennessee, Virginia, and Washington, D.C. Project types include: hotels, resorts, convention centers, art museums, detention facilities, arenas, educational campuses, manufacturing plants, hospitals, office buildings, and wastewater treatment plants.

The CS Group provides a broad range of products and services, including: millwork, carpentry, overhead and commercial entry doors, and integrated security systems. Division 10 specialty products, such as restroom partitions and accessories, lockers, and mailboxes, are also available. The CS Group also works with owners and end-users on the coordination of multi-year, multi-phase building upgrade and renovation projects.

The CS Group achieves professional project management through industry leading software to deliver projects that are on-time, under budget, and that consistently exceed customer expectations.
